

# PREP ONE (Senior Kindergarten) at BRAEMAR HOUSE SCHOOL

Prep One is a full-time program, and is unique to Braemar. It is a blend of traditional Kindergarten and Montessori and offers hands-on learning.

There is a strong focus on: reading, printing, math, outdoor experiences and enrichment. Students develop self-confidence, independence, a love of learning. Prep One prepares students for Grade 1.

Students receive the full Braemar 'experience' and are a part of our school-wide activities including opportunities like our swimming lessons, Virtues Project (citizenship program), field trips and our annual school musical to name a few.
